

Parma tasting tour

8 to 10 hour

Your English speaking driver will pick you up at your hotel a.m. for the drive to the Padana valley. In this wide area, aka the bread basket of Italy, we offer four types of tastings: 1) Prosciutto di Parma, 2) Culatello, 3) Parmigiano Reggiano, 4) Aceto Balsamico. However we offer customers to select three out of four in order to also enjoy some time in Parma and walk thru the quaint downtown roads and see the Duomo. Each of the mentioned products has hosts in English that will explain the production process and then give a tasting. A special mention is for the Culatello producer, not just one of the best since it is the very best in Italy and inside his ageing room you can see Culatellos for VIPs, hanging from the ceiling. Lunch suggested, not included.

Lenght of activities varies according to departing location: from Milan and Florence

The tasting fee is additional and will be charged to the client's credit card at the time of booking. If the client cancels the tour or changes the date of the tour, the tasting fee cost is NOT refundable.
