

Semi-Private Treasures of the Vatican

4 hour

Join a small group (2 to 8 participants) for a semi-private tour with an expert guide that includes reserved entry to the Vatican Museums and Sistine Chapel. In addition to being a more economical option, a semi-private Vatican tour may offer greater availability during high demand periods. Entries are additional at euro 30 each per person.

The Semi-Private Treasures of the Vatican is available on Tuesdays and Thursdays PM, only. A designated meeting spot near the Vatican will be stated on the client's confirmation, as well as the exact start time of the tour as well as any alternate days the client could take the tour should his first choice be unavailable.

NOTE: If the Basilica is in use for a religious service, entry is not permitted. The Vatican does not advise in advance specific dates or times when religious services are scheduled.

This semi-private tour option is subject to availability, and there must be at least 2 persons confirmed for the tour to operate.

All requests should come at least 10 or more days to the preferred date. We accept last minute requests which are still subject to availability. In case cancellation occurs after tour has been paid no refund will be given back, no matter when confirmation date is.

Information to put on the Semi private tour confirmation only: Meet your guide at the taxi sign located about 60 yards from the Vatican Museum entrance. The taxi sign has a blue background with "TAXI" written in white.
