

Siena tasting tour

8 to 12 hour

For our Siena tasting tour we foresee four products from the area around Montalcino that are very typical and also famous around the world: Wine, Olive Oil, Pecorino sheep cheese and ... Honey (pure honey made in Montalcino, not imported from other areas). Depending on starting location, we will decide the order of the visits. The main meaning of this tour is to introduce visitors into the educational side of these four amazing "foods" and then see how to recognize and understand their TOP quality. Together with the tours, you will also have time to explore (on own) the villages of Montalcino and Pienza (an hour each place). You will have an English speaking driver for the day and English speaking hosts at each producer. Three course light lunch included and we will set up an extraordinary family style Tuscan meal.

Length of activities varies according to departing location: from Florence, Siena and Rome

The tasting fee is additional and will be charged to the client's credit card at the time of booking. If the client cancels the tour or changes the date of the tour, the tasting fee cost is NOT refundable.
