*Our Drive IT Experiences Are The Best Way To Taste The Italian Lifestyle . Let Your Senses Free To Explore .*

Our Drive It experiences are exclusively designed to combine exotic terrain with challenging roads and genuine Italian cuisine. Our unparalleled expertise allows us to design unique, relatively traffic-free routes that will enhance your driving skills in a safe environment. Estimates include all costs to ensure that you enjoy an exceptional, stress-free **Drive It** experience. Your Tour Leader will guide you through this adventure with a powerful leading car, virtually opening the road ahead of you. Due to high demand, our published rates are based on three primary cities, however we are able to customize services upon request. Delivery and Drop-Off rates apply for vehicles and vary depending on location. Please inquire as to what models are available in your location to save on vehicle delivery costs. A deposit is required for all Drive It adventures.
