

Chianti farm experience

8 hour

Your driver will pick you up at your hotel to take you to a Farm located near Florence. Welcome to Anselmo! This farm is mostly known for its wines but you will spend a full day experiencing life like a Tuscan farmer. Start meeting with your Host, Anthony, for the day that will give you a walk thru the property visiting the B&B they have (useful for your next vacation). An Olive Oil tasting will follow (their own production, of course). Right after you will start putting hands into the kitchen for the cooking class and, during lunch, Anthony will give you a wine tasting of the wines produced here...out of the ordinary Wines.

From Florence, Siena, Roma.

It is possible to add a ride on horseback with an additional cost

After Lunch, if you want, you can have a walk or a horseback ride thru vineyards to complete the day.

Notes:

-Cooking class might be on semi-private formula as well as tastings can be.

-The order of activities can be changed and horseback ride can be influenced by weather or harvest time.

-from Rome we combine a round trip ride by fast train into Florence and then a driver to/back from the Farm

The tasting fee (includes: two wine tastings) is additional and will be charged to the client's credit card at the time of booking. If the client cancels the tour or changes the date of the tour, the tasting fee cost is NOT refundable.
