

## FD Paestum

---

8 hour

Spend the entire day exploring *Paestum and having* tour and tasting of the very famous Buffalo mozzarella cheese.

Paestum with the gleaming white marble ancient Greek temples that date back to the 6th century BC, set against the dark brown hills and deep blue sea, provide a uniquely experience in Italy. Today, the preserved temple of Hera II (once believed to be the Temple of Poseidon) is one of three temples. (See also the temple of Hera I) Part of the interior is a colonnade with two rows of columns, including the superimposed upper level which supported the roof, therefore illustrates the standard Doric form: 6 columns on the end and 14 columns on the side.

In Paestum you have a local guide (2 hour guided tour).

Buffalo Mozzarella is the most important among the several cheeses that are made only in a few specific provinces Italy and are based on pure buffalo milk.

A unique experience, explore the processing of buffalo mozzarella in all its passages.
