

Venice for Kids

3 hour

Explore the secret areas of Doge's Palace with your kids!

The Palace is a remarkable example of civic Gothic architecture, and you will follow the footsteps of the men who ruled Venice during Medieval and Renaissance times, through hidden passageways and concealed doors instead of the public doors and stairways. Kids will enjoy seeing the torture chamber and the prison from which Casanova escaped, and discovering where Marco Polo lived in nearby medieval quarters.

Optional add 1 hour for Secret Itineraries.

Special reservation/entry fees for the Doge's Palace and for the Golden Basilica are additional and will be prepaid.
