

Brunello di Montalcino Wine Tour

7 to 11 hour

Your English speaking driver will pick you up at your hotel at 9:00 a.m. for the drive to Montalcino in the province of Siena, where some of the world's most sublime wines are produced. Made exclusively from the Sangiovese Grosso grape, it must be aged at least four years before it can be sold, five for the Riserva. We will select very small and often family owned wineries. Their wines are extremely hard, if not impossible, to find outside of Italy. The level of quality of these wines is TOP and the philosophy of the producers is all about traditions and quality. Our Wine Master (unique and exclusive service provided by Dream Italy) will accompany you all day at both wineries taking you thru a journey that will make you fall in love with what San Giovese Grosso can become, in such good hands, Lunch stop and lunch fee included. Not an ordinary lunch, but an extraordinary family style Tuscan experience.

The order of various activities might change without notice.

Lenght of activities varies according to departing location: from Florence, Rome and Siena

The tasting fee (includes: two wine tastings) is additional and will be charged to the client's credit card at the time of booking. If the client cancels the tour or changes the date of the tour, the tasting fee cost is NOT refundable.
