

Classic Matera

4 hour

Addressed Europe Cultural Capital for 2019, Matera is today a pride of Italy after being named "shame of Italy" during the '70s. Our tour will take you right into the ancient heart of this incredible city. You will walk thru the Sasso Caveoso and the Sasso Barisano.

These two "rocks" are crossed by a valley and give an amazing overlook of the surrounding area: the "Murgia". We also include a tour of Underground Matera to admire the city that sits under the actual one and the waters running thru.

Very comfortable shoes mandatory, walking difficulty is medium-high.

Entry fees are additional and are to be paid by the client at the site.
